## How to Play

To play trivia, gather friends or family together and bring your favorite food and drink. Prepare with a pencil and paper for each player. Then, choose one player to be the "game head." This is the person who is going to read the trivia questions to the group.

Once the game head has asked a trivia question, each player should write their answers on their sheet of paper. After anywhere from 20 to 50 questions have gotten prompted to the group, the player with the most points wins the round. In order to score points, a player must answer the trivia question correctly. The fun trivia questions listed below are easy and for players who beginner knowledge.

This game can be played in round table format and through text message groups, as well. *Have fun!*
